

HOLY SPIRIT ATHLETIC ASSOCIATION

**Soccer and Volleyball REGISTRATION IS OPEN until May 17th.** *On-time registrations will be accepted through May 17, 2018.*

Starting on May 17th, the registration system will close for approximately two weeks in order to determine which teams need additional players and can accept late registrations. Late registrations (registrations submitted after 5/17/18) are accepted only to fill teams and will incur a \$20 late fee per child. To register, please visit our website at [www.hsaastl.org](http://www.hsaastl.org) and click on the link for **Sports Illustrated Play**.

Payment can be made by credit card or check. Fees are \$85 for one child or \$150 for 2+ children in the same household. Payment instructions are included in the registration process. If you have questions regarding payments, please contact the HSAA Treasurer, Jeff Purvis at [Treasurer@hsaastl.org](mailto:Treasurer@hsaastl.org)

A copy of the Points Policy is included in the registration process. Please read it carefully. Volunteers need to have the following: PGC, CTMAPD, Code of Ethics and Background Check before they can Coach or Assist and a game OR practice. If you are interested in being a coach, assistant coach or team parent, **please make sure you register yourself for that at the same time as you register your child.**

If it seems that registration is earlier this year that's because it is earlier this year! The reason for that is that the season is scheduled to start a few weeks earlier this year (Aug).

Sincerely,

McKayla Wartick
